An apprentice shall not be required to apply for a jockey's license until after he shall have ridden a winner.

A boy who has never ridden a winner may be granted an apprentice license for one year, or until he does ride a winner, to and upon the application of his employer, and the apprentice shall not be permitted to ride for anyone except his employer without his permission. The

license shall be prima facie evidence of the employment of the apprentice.  
No person against whom there are outstanding forfeit orders or other arrears shall receive a trainer's or jockey's license.

#### NEW RULES ADOPTED FOR 1903.

Rule 32: An authorized agent is an agent appointed by a document signed by the owner and lodged with the Western Jockey Club, or if for a single meeting only, with the secretary of that meeting for transmission to the Western Jockey Club. For each such document filed, a fee of \$1.00 shall be paid to the Western Jockey Club.

Rule 35: A horse is a "starter" for a race when it has left the paddock for the post.

Rule 57: A horse after it has left the paddock for the post cannot be excused by reason of accident or casualty, nor can additional time at the post be granted. The judges, however, may grant additional time if the horse is injured in the paddock or while warming up.

Rule 66: Any person seeking to injure, defame or bring into disrepute by threats, intimidation, menace or otherwise the associations, the racing or race meetings of associations racing under the jurisdiction of the Western Jockey Club, shall be disqualified.

Rule 109: So long as the name of a person is in the forfeit list no horse can be entered by him, or under his subscription, for any race, whether acting as an agent or otherwise, and no horse which has been entered by him, or in his name or under his subscription, or of which he is or was at the time of entry wholly or partly the owner, can run for any race, and no horse which shall be proved to the satisfaction of the Stewards to be directly or indirectly under the care, management or superintendence of a person who is in default, shall be qualified to be entered or run for any race, and so long as any horse is in the forfeit list, such horse shall not be qualified to be entered or run for any race. But the Stewards of the Western Jockey Club may confirm entries where default is accidental or unintentional, and prompt payment is made. (This rule to go into effect April 1, 1903).
